Action for Blind People is an expert national organisation, ensuring blind and partially sighted people get practical support in all aspects of their lives. We provide a wide range of practical support and advice for visually impaired people across the UK, which includes our Actionnaires clubs.

Our unique sports clubs offer blind and partially sighted children and young people the chance to take part in sport, make friends, keep fit and have fun.

Calling all 8-16 year olds - under 8's also welcome if accompanied by an adult. If you have a favourite sport you want to improve; a new one you want to learn or even if you just fancy running around and letting off a little steam, your local club will have something for you.

You can try lots of different sports and activities for example:

Archery, athletics, basketball, cricket, football, goalball, judo, tag rugby, parachute games, swimming and much more!

Even if you are not into sport, why not come along to just make friends and have some fun.

As well as weekly Actionnaires club sessions, there are sports festivals and competitions throughout the year. These allow you to test your sporting skills against people from other clubs in a competitive but fun and friendly environment.

TEES VALLEY

VOLUNTARY SERVICES

North East Actionnaires
